

# Coronavirus

## Rules for May to June

The Government has new rules and advice for people in England

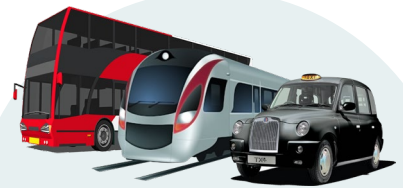

**Still stay at home as much as you can, but**

You can meet one other person in a public place

Always keep a safe distance from others

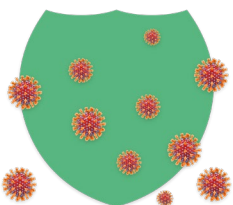

Avoid buses and trains if you can

Wear a face covering when people are too close

Go back to work if you cannot work from home

**If you are shielding carry on**

**We will update you more in June**
