

Aims: We want safe and appropriate housing for people with learning disabilities
We want people with learning disabilities to be heard and to have a choice about where they live.

Objectives:

1

To have a better understanding of the housing needs of people with learning disabilities

2

Better choice of places to live for people with learning disabilities

3

Someone in the Council to speak to about housing

4

Avoid people with learning disabilities going into emergency housing

5

Good accessible information and support for people with learning disabilities about housing in the city, and how to access support, including an 'easy to understand' map of how to access housing services

6

Provide advocacy, information and signposting on housing issues for more people with learning disabilities
